Go to NoodleTools: <https://www.noodletools.com/>

- Click on “Log in” in the righthand corner of the homepage

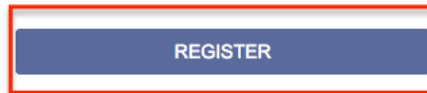

Educators Students & Researchers Plans Support Trial

Register

- Click on link below: “Free for you if your school or university is subscribed”

- Free for you if your school or university is subscribed
- Individual accounts also available

- Under **Subscription Type** keep the default setting: “An account linked to a school/library subscription or trial”
- Enter the Katharine Brush Library’s subscription username and password
- The username and password are found on the Student Portal in the Resources tab and Katharine Brush Library Resources section. The document is titled NoodleTools Registration
- Under **About You**, keep the default setting: “I am a student or a library patron”
- Next fill in the relevant information about you, including initials and phone number. This will help retrieve your username or password if you forget them
- Click **Register** to complete the registration of your account
- Your personal account is now created
