

Loomis Chaffee

Loomis Chaffee Annual Fund Parent Volunteer Description

What is the Annual Fund?

The Annual Fund is money raised from alumni, parents, and friends and spent each year. Gifts go directly into the operating budget and support the people and programs that make Loomis Chaffee such a remarkable place.

Parent giving is an essential part of Loomis Chaffee's annual giving program. Fueled by gifts from our current parents, your contributions constitute over one-third of the total dollars raised each year. Gifts support all aspects of the Loomis experience and touch the lives of every student and faculty member on campus. Every gift matters, no matter the size, and the fundraising year lasts from July 1-June 30.

Overview:

A volunteer-driven effort, the 2020-21 Parent Giving Program is co-chaired by Randy & Sheryl Appleyard P'21 and supported by the school's Alumni/Development Office. Acting as ambassadors for Loomis Chaffee, volunteers help spread the message that participation in the Annual Fund by our current parents is essential and a strong tradition at Loomis.

Responsibilities:

1. Attend the Parent Giving Kick-Off.
2. Participate in any committee conference calls during the year (once or twice per term).
3. Contact assigned parents (approximately 8-12) over the course of the year, asking for their participation in the Annual Fund, especially near Giving Tuesday, the end of the calendar year, Philanthropy Day, Commencement, and All In for Loomis Chaffee.
4. Become an advocate for any parent campaigns on [GiveCampus](#).
5. Participate in the Annual Fund by making your own gift.
6. Keep in touch with the Alumni/Development Office.
